

The Leathernecks MC, a tax-exempt 501-(C)(19) organization, is a group of active duty and former US Marines who like to ride motorcycles and raise money for children's charitable organizations. We've teamed up with Toys for Tots in Northern Michigan for our 2nd Annual "Christmas in July" Golf Outing.

To make this event successful, we are ready to provide you with valuable marketing exposure in exchange for your financial sponsorship or donation to our Silent Auction. Your participation will help Mike Hoeft, local coordinator for Toys for Tots, further the Toys for Tots goal of delivering, through a new toy at Christmas, a message of hope to less fortunate youngsters that will assist them in becoming responsible, productive, patriotic citizens.

The golf outing will be held at the Pines Course in Michaywe on July 16, 2023. You will receive the following benefits in exchange for your sponsorship or silent auction donation.

**Platinum \$5,000:** includes one 4-person team, logo on registration website, logo on flyer, logo on banner at event, 4 entries to putting contest

**Gold \$2,000:** includes one 4-person team, logo on banner at event
